

## STEP OUT IN FAITH/Suzanne's Ministries

### Communications and Promotions Officer: Applications

Thank you for considering applying for this post

In order to do so please write a letter containing the following information:

1/ A paragraph about your own Christian faith and journey. How has your faith grown and what do you do to maintain it?

2/ A paragraph about your own commitment to World Mission, Evangelism and Bible Teaching (practical involvement, the things you pray about, a sense of calling, etc) and to which of these areas do you feel most called. How do you know?!

3/ A paragraph about what skills you believe you would bring to the job as described

4/ Two referees:

- i/ a Church Leader who has known you for at least 6 months within the past year
- ii/ another referee who can speak with regard to your skills or passions for this sort of work (your choice, but not a relative)

5/ Your full name and contact details

In addition, if there are any examples of your work that you could either send us or link us to online that would be useful (but not essential).

We will discuss with the successful candidate the best way to provide remuneration for this role. It may be that it will be simplest for you to be a self-employed contractor or it may be that we would enter in to an employment contract. This will be negotiated with you.

Please send the above to
